

## Recruitment

**We need your help!**

Trial recruitment is now at 60 participants.

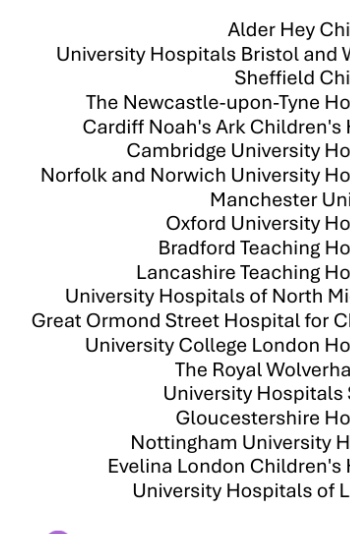

**To reach our target we need: 6 participants per month and with exactly 12 months left of recruitment we need all teams to be actively screening for the trial.**

### Congratulations to our recruiters for January (and Early February):

- Nic Colebrook and Hannah Rogers at Alder Hey.
- Danielle Miller and Pam Dawson at Oxford.
- Nina Villarosa and Vinay Shivamurthy at Evelina.

We couldn't do this without you—thank you for all your hard work!

## Trial & Recruitment End Date Extension

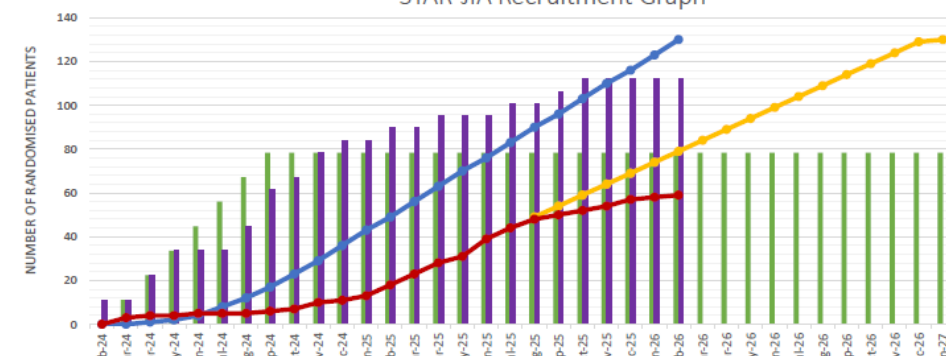

### NIHR Extension:

We are pleased to confirm that NIHR have granted STAR-JIA a 12 month recruitment extension to **06/02/2027**, and a 19 month overall trial extension to **31/07/2028**.

The extension has been granted to allow us to meet our target of 130 participants.
